

# The Business Mindset

Is a Mastermind Group right for you?

- Do you want a supportive and encouraging team?
- Are you ready to grow personally and professionally?
- Are you ready to create more focus in your life and business?
- Are you committed to attending all meetings?
- Do you want to reach or exceed your goals?
- Are you committed to making the shift from settling for an ordinary life to one that exceeds at all different levels?
- Are you ready to let your desire to be passionate about your life and work overcome your fear of change?
- Do you want to explore specific topics and diverse views within the context of a group?
- Are you willing to invest time, money, emotion, willpower and energy into taking better care of yourself and creating the life and business you want?
- Are you willing to be supportive, and provide privacy and safety, when others share what truly matters to them?
- Are you ready to learn from your peers?
- Are you willing to ask for help?
- Are you willing to give as much as you receive?

If you have answered YES to many of these questions then I believe that you will find a Mastermind Group to be beneficial to you and your business.
